

Master Singers of Milwaukee

Choral Scholar Application Form

Policies: All Choral Scholar candidates must be enrolled in secondary school and/or studying voice privately. Selection for the Choral Scholar program is made by competitive audition. If accepted into Master Singers, Choral Scholars agree to maintain full participation in their school ensembles or private lessons. In case of schedule conflicts, Choral Scholars agree to consult the Master Singers Music Director for resolution. Choral Scholars have all membership privileges of regular Master Singers members; these privileges may be suspended or canceled at any time if the Choral Scholar should fall below MSM standards for attendance or performance (these will be made clear at the time of audition).
